JUNGLE GIRLS

Greetings, Jungle Girl fans! We have lots of good news to report this issue. First off, the book TV'S ORIGINAL SHEENA- IRISH McCalla is finally printed and can be ordered thru the ad on the back cover of this book. Second, IRISH herself came to Florida to promote the book. A 10 page photo article of this event is featured in the current (No.11) issue of GOOD GIRL ART QUARTERLY (available from AC Comics, Box 1216, Longwood Fl 32752 for \$3.95 + \$1.50 postage). Third, readers have asked for new and different jungle girl stories in this book and we believe we have delivered just that with the new TARA tale this issue. Forth, our all-new WILD SIDE series kicks off next ish! As promised,

samples of the art appear within these pages! Enjoy! As usual, we thank Pete Leavett for the use of the original SHEENA art from his collection!

GOOD GIRL ART fans will not want to miss any issue of FEMFORCE, the leading GGA comic of the 1990's. Each issue is jam packed with beautiful heroines drawn the way you like them in stories that are fun but won't insult your intelligence. Over 100 books featuring FEMFORCE have been printed to date. All of them are available so if you try one out and like it... you can order them all!

Meet **IRISH McCALLA** as she makes a personal appearance at the Tampa TNT/SUN CON on January 16 and 17, 1993. The event is covered in a 10 page article with lots of photos and artwork in the current issue of **GOOD GIRL ART QUARTERLY** (No. 11).

Irish played **SHEENA**, Queen of the Jungle in the 1956 TV series and was in Florida to introduce (and autograph) the new book based on her life as a pin-up model, film actress and artist. The book, written by Bill Black and Bill Feret, is entitled **TV'S ORIGINAL SHEENA-IRISH McCALLA**. See the ad on the back cover of this book for information on how to order.

GOOD GIRL ART QUARTERLY also features high quality reprints of Good Girl stories of the 1940's such as **SKY GAL** and the **PHANTOM LADY** by Matt Baker and **TORCHY** by Bill Ward.

ORIGINAL TV'S SHEENA IRISH McCALLA

BY
BILL BLACK
AND
BILL FERET

TRADE PAPERBACK- \$19.95
Autographed by IRISH McCALLA- \$29.95

Irish McCalla, statuesque blonde beauty who portrayed SHEENA, QUEEN OF THE JUNGLE in the mid-1950's television series, is featured in this 100 page tribute. Irish herself contributed a new interview and shared some excerpts from her personal journal written during the filming of the series.

Irish tells of her experiences as the celluloid jungle queen in the jungles of Mexico. The on location activities proved almost as perilous for the actress as it did for SHEENA as Irish was required to perform many of her own stunts. This series is illustrated with many photos of SHEENA including color shots and rare pictures never before published.

Prior to becoming an actress, Irish was one of the most popular pin up models in the United States. Her modeling career is covered in detail with a vast assortment of cheesecake photos. Today, Irish is a successful artist and is still as beautiful as ever.

This book will be printed on 50 lb. white off set paper with special photos printed on glossy

stock. In addition, a representation of color photos spanning all aspects of Irish's career will be printed on glossy stock. A special full color section will reprint a 1941 SHEENA comic book story by artist Bob Powell. This will be a rare treat as it will be shot from the original art! And, seen for the first time ever, a brand new comic book adventure entitled "IRISH, QUEEN OF THE JUNGLE" will be included. It is written and illustrated by Bill Black and Mark Helke.

The film career of Irish McCalla will be covered featuring a synopsis and photos of the cult classic, SHE DEMONS. An episode guide to the SHEENA TV series is in here, too.

This full sized, 8 1/2 by 11" book is printed on 50 lb. white off set, 110 lb glossy paper for finest quality photo reproduction. There will be 32 pages of interior color and full color covers.

TV'S SHEENA IRISH McCALLA is a must for all film, pin up and comic book collectors.
